

Parking Notice

Please be advised that San Pedro Creek Estates, lots and roads, are private property. As such, we are concerned about the liability and privacy of the homeowners. The common roads and grounds are not to be used for public recreation. If you are a guest of a resident, please park your vehicle on your host's property. Parking along the roadside creates a significant hazard for your vehicle, as well as others using the road. For questions, please contact the Homeowners Association at 505-986-2952.

Thank you for respecting our property and privacy,
San Pedro Creek Neighborhood Watch
